DC Standup

Didn’t prelim,but launched
into “Department of JUSTICE! Hah!”

We went hysterical. “It’s got-
ta be some awful satire,right?”

Strangely tranquilized with bor-
ing beltway gossip re patriot
tea-baggers,then

yelled “LABOR? LABOR? Who’s kidding
who?” Under the chairs! Us,

after this limit shoved.
Peeved MC snatching thereupon

off him in favor of soothing flute
quartet out of HOMELAND SECURITY.
